

E8

The perfect combination of pleasure, versatility and luxury

Benefits at a glance

- The Professional Aroma Grinder guarantees ideal grinding results over the entire service life
- The Speciality Selection expands the preparation options available for the 17 different specialities and offers everything users could wish for – including caffè Barista and lungo Barista
- The perfect blend of stylish design and state of the art user guidance
- Thanks to the innovative fluid system, automatic milk system cleaning takes place at the touch of a button

The latest generation of JURA's most successful coffee machine model boasts a reinterpreted design and a range of benefits previously found only in the premium class. The Professional Aroma Grinder delivers a flawless grinding result, state-of-the-art brewing processes allow the coffee aromas to fully develop and trend specialities are better than ever thanks to the airy, feather-light milk foam. The innovative E8 offers 17 different specialities – from an aromatic espresso to a trendy cortado. It can also prepare long, mild specialities such as caffè Barista and lungo Barista to professional barista standard thanks to a new fluid system. Those who like their coffee more intense can pep up their cappuccino, flat white or latte macchiato using the Extra Shot function.

With the optimised fluid system, even milk system cleaning is carried out automatically at the touch of a button – another E8 function that will be familiar from JURA's top-line products. What's more, it now boasts even more intuitive handling along with incredibly easy operation.
